

# 2001-2004 Pennsylvania Industry Trends

The new *2001-2004 Pennsylvania Industry Trends* publication provides data and analysis on the number of business establishments and average monthly employment. The data is listed by NAICS code for the second quarters of 2001 - 2004 by state and county. The CD-ROM version contains the paperback edition in PDF with corresponding

Excel tables. The Excel files can be copied and customized to accommodate specific data needs. A detailed description of the activities covered within each industry is contained in the Appendix. *Industry Trends* was produced in cooperation with the Pennsylvania Technical Assistance Program (PennTAP), the Team Pennsylvania Foundation and the Center for Workforce Information and Analysis.
