The 2021 Pennsylvania Data User

Start Date: 5/13/2021 9:00 AM

End Date: 5/13/2021 4:00 PM

This year's conference will again be virtual due to the COVID-19 pandemic. Please provide an email that you check regularly to receive updates on the program and sessions.   The PA State Data Center presents the annual Data User Conference, presenting sessions about data collection, analysis, and information about the US Census in Pennsylvania.   The Pennsylvania State Data Center serves as Pennsylvania's official source of population and economic statistics. In addition to acting as Pennsylvania's liaison to the Census Bureau, the PaSDC is the state's representative to the Federal-State Cooperative Programs for Population Estimates and for Population Projections.
