

# The 2024 Pennsylvania Data User

**Start Date: 5/29/2024 8:00 AM**

**End Date: 5/30/2024 12:00 PM**

Sign up for the 2024 Pennsylvania Data User Conference, hosted by the PA State Data Center. The event will be hosted at The Penn Stater Hotel and Conference Center in State College, PA . To reserve a room at the Penn Stater, click to view the Penn Stater Website The PA State Data Center presents the annual Data User Conference, presenting sessions about data collection, analysis, and information about the US Census in Pennsylvania. The Pennsylvania State Data Center serves as Pennsylvania's official source of population and economic statistics. In addition to acting as Pennsylvania's liaison to the Census Bureau, the PaSDC is the state's representative to the Federal-State Cooperative Programs for Population Estimates and for Population Projections.
