## Hispanic Heritage Month

Hispanic Heritage Month begins September 15 and runs through October 15 and celebrates the histories, cultures, and contributions of generations of Hispanic Americans who originate from Spain, Mexico, the Caribbean, and Central and South America. This year we're looking at Pennsylvanians of Hispanic or Latino origin with origins from Central America (along with Mexico, Cuba, the Dominican Republic, and Puerto Rico).

Follow the link below to our interactive graph showing the current estimate of Pennsylvanians whose origins trace back to Mexico or Central America by country-of-origin. Hover over each origin country for more information and to see the percent change in that population.
