

2019 Pennsylvania Data User Conference

May 9, 2019

Penn State Harrisburg

The Pennsylvania Data User Conference is the state's most comprehensive single-day forum for public and private sector demographic data users. This year's conference will highlight the **2020 Census**. Experts from the U.S. Census Bureau will present on upcoming programs and data that will be available leading up to and following the 2020 Census.

Other sessions from experts across academia, government, private, and non-governmental organizations will highlight applied data collection, analysis, and visualization methods. As in previous years, the conference also provides an excellent opportunity for data professionals to network and share information on Pennsylvania's changing population, demographics, and economy.

Registration & Fees

Register by **April 26, 2019** for an early bird rate of **\$99**. Registration after April 26, 2019 will cost the regular rate of \$119. Valid payment includes credit or check.

Visit pasdcconference.org to register.
